DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claim 41 is rejected under 35 U.S.C. 102(b) as being anticipated by Brown (5,646,613) along with Vaillancourt, et al. (5,470,103).

Brown and Vaillancourt each disclose a method for restraining occupants of a motor vehicle having a plurality of inflatable members 34, 10, respectively, mounted on the vehicle and collectively positioned in substantially surrounding relation to an occupant, in an impact involving the motor vehicle, comprising the steps of: a) detecting a location of the impact on the motor vehicle; b) in response to the detecting of the location of the impact on the motor vehicle, selectively inflating a first of the inflatable members within the passenger compartment; and c) subsequent to the step b), selectively inflating a second of the inflatable members within the passenger compartment. With respect to detecting of the location of the impact on the motor vehicle, as broadly recited, an impact on the motor vehicle is detecting the location.

Allowable Subject Matter

3. Claims 35-40, 42-48 are allowed.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
